## CHANCERY OFFICE

### CHILD PROTECTION POLICY

#### 1. Requirements and Procedures

Employee and volunteer requirements:

- Authorization & Verification; Acknowledgement

All employees and volunteers must receive a copy of the 2008 Child Protection Policy and sign the Authorization and Verification (pg. 35) and Acknowledgement (pg. 36). The signed forms are to be kept on file at the location of service; the date signed is to be noted on the Compliance Checklist and sent to the Chancery. Do not send the signed forms to the Chancery.

- Fingerprinting and In-Service

Employees and volunteers who work with children, regardless of their level of contact with children, must be fingerprinted and participate in our "Treasured Gifts from God" in-service program. It is commendable when an employee or volunteer has attended a child protection in-service from another source (e.g. Scouts, another diocese, etc.) but they must participate in our program to be compliant. Any Webcheck location may be used. Background reports are to be sent to the location of service, not to the Chancery Office.
