CANONICAL SERVICES

Tribunal In-Service Program

The response to the in-service program currently being offered by the Tribunal staff has been encouraging. Several sessions have already been held or are scheduled for the near future. The Tribunal will contact those already registered as sessions become available.

The Tribunal in-service is for pastors, associates, deacons, religious, directors of religious education, religious education coordinators and counselors in order to prepare them in facilitating pleas for nullity for persons within the community whose marriages have broken down and who may be seeking a second union recognized by the Church. The in-service focuses on preparation of case histories, compilation of documents, witnesses and determining of the appropriate grounds of nullity.

Size of the in-service is in small groups and generally runs between two and three hours. The in-service is offered at either the offices of the Tribunal of the Diocese of Youngstown or at a parish in the Canton area. Because of the diversity of ministries and theological backgrounds, the sessions are divided into two separate groups, namely 1) priests and deacons, and 2) pastoral ministers and parish personnel who work in this canonical area.

Interested parties who have not already registered should call the Tribunal at (330) 744-8451, ext. 252.
