3. CHILD PROTECTION POLICY

A. Requirements Reminder

All employees and volunteers who work with children are reminded that they must be fingerprinted and participate in an in-service program. Some Compliance Checklists are submitted with names but no notation for these two requirements. Some show that persons signed the background questionnaire for the previous Child Protection Policy, but not for the current (2003) Policy. All employees and volunteers must sign the questionnaire, whether or not they work with children. Administrators are reminded that these requirements must be fulfilled for your employees and volunteers.

B. Compliance Checklist

Persons responsible for submitting the Compliance Checklist to the Chancery are reminded to call or mail when information is updated for employees/volunteers as requirements are completed (see above). If information is not updated, the data base shows those persons not fully in compliance. Also, please remember to include addresses as there is often more than one person with the same name. Thank you for your cooperation.

C. Webchecks at Other Locations

Employees and volunteers who use a Webcheck other than the three diocesan sites must call the Chancery Office at 330-744-8451, ext. 235, to provide their name and location of service. This will ensure that when the BCI report is received at the Chancery it can be forwarded to the proper location.

For more information or questions on any of our Child Protection Policy procedures, contact Nancy Yuhasz at the Chancery Office, 330-744-8451, ext. 235.

2. OFFICE OF RELIGIOUS EDUCATION

A. National Directory for Catechesis, USCCB, 2005

The National Directory for Catechesis (NDC) is an official document of the United States Conference of Catholic Bishops approved by the Congregation for the Clergy, according to the norms established in the General Directory for Catechesis, Liberio Editrice Vaticana, 1997. The new NDC replaces

Sharing the Light of Faith, The National Catechetical Directory for Catholics of the United States, 1979.

Implementation of the NDC in the Diocese of Youngstown will be accomplished through formation opportunities and resources. The NDC directives will guide revisions of policies and guidelines of the Diocesan Directory for Catechesis, The Diocesan Curriculum for Catechesis, and the review of resources. As with the GDC, the NDC lays the foundational principle that catechesis is an ecclesial act in which all church ministries participate.

The Office of Religious Education will provide formation opportunities on the NDC during ministry year 2005-2006. The document is available through the Office of Religious Education at \$ 16.00 each.

F. Walsh University Summer Course

Theology 600: Special Topics in Ecclesial Leadership	Instructor: Sr. Teresa Ann Wolf, OSB
The Latino Presence: A New World Church	
Summer Session G2	Tuesday, June 28 , 2005 through Tuesday, August 16, 2005

The Latino culture has a long history in the United States, longer than any other European culture. The Spanish conquerors and missionaries were already in the western hemisphere in the sixteenth century and shaped a new world church. The course will be developed through films, novels, and a reading list that includes monographs and texts on liberation

theology, Latin American Church history, popular religion, the Guadalupe event, Vatican Council II, pastoral letters and other church documents, and integration/leadership issues.

For more information or to register, please contact Monsignor Lew Gaetano at 330 490-7277. Diocesan employees receive a substantial tuition discount.

B. Year of the Eucharist

As we continue through this Year of the Eucharist, it is a good time to review the practice surrounding the reception of Holy Communion of the faithful. The simple bow of the head, selected by the U.S. Bishops as a sign of reverence before receiving the Body of Christ and the Blood of Christ, is a practice with which some in our assemblies are not yet comfortable. The accompanying bulletin insert adapted from materials provided by the USCCB may serve as a reminder of that practice as well as catechesis regarding the Church's broader understanding of the reception of Holy Communion.
