## CANONICAL SERVICES

### TRIBUNAL

#### A. Tribunal Fees

The Tribunal requests that pastors do us the favor of encouraging the Petitioners of the Tribunal to submit the modest fees that we ask from them. Our Tribunal fees are among the least in the United States. However, we do depend on them to meet our Tribunal budget each year.

#### B. In-Service Program

The response to the ongoing, in-service program being offered by the Tribunal staff has been encouraging. Since the in-service became available, six sessions have already been held and several more are scheduled for the near future. The Tribunal will contact those already registered as sessions become available.

The Tribunal in-service is for pastors, associates, deacons, religious, directors of religious education, religious education coordinators and counselors in order to prepare them in facilitating pleas for nullity for persons within the community whose marriages have broken down and who may be seeking a second union recognized by the Church. The in-service focuses on preparation of case histories, compilation of documents, witnesses and determining of the appropriate grounds of nullity.

Size of the in-service is in small groups of between 8-12 participants and generally runs approximately two hours. The in-service is offered at either the offices of the Tribunal of the Diocese of Youngstown or at a parish in the Canton area.

Interested parties who have not already registered should call the Tribunal at (330) 744-8451, ext. 252.
