We, in the presence of one another, individually declare our freedom to marry and our freedom from any known impediments between us. We hold marriage to be a life-long and faithful union and process of choosing each other for the mutual sharing of our life and our love; it is a union which is open to children; it is a union which is modeled after and symbolizes God's ever-faithful love for His people. It is this partnership of life and love that we seek in marriage and to which we will publicly give our consent.
